WELCOME TO THE 2023-2024 SCHOOL YEAR

Hello Toledo Prep Families!

We are pleased to welcome you to the 2023-2024 school year. We feel honored and privileged to have the roles of middle school and elementary principals and look forward to working together as we plan for an exciting year ahead. At the end of last school year, we introduced a new Career Exploration Program, and we are expanding our middle school building. This new program is exciting, but again this school year presents challenges as it also requires a lot of new staff and resources. This year we have a lot of returning staff and some new teachers, who are spending their summer months focusing on enhancing your educational experience and turning our school into a fun learning environment.

Over summer break, the middle school has been hard at work redecorating the entire building, redesigning student areas, upgrading your curriculum, and planning some exciting activities. The elementary school has been doing some school renovations and adding additional support and security including classroom cameras. In addition to the changes throughout the buildings, both schools are expanding their after-school sports and club opportunities.

We are excited for this upcoming school year, and we know that our students will enjoy all of the changes we are making. It is our plan to continue working towards high academic expectations, as well as a fun and safe environment for all of our students. We have created a family liaison position and a truancy team to help ensure families have what they need to get students to school each day. As you know, it will take all of us working together to be successful this school year. We look forward to working with the community, families, students, and staff to create an amazing elementary and middle school.

This year, our Open House will be held on Monday, **August 14th from 4-6 p.m.**, at both the elementary and middle school buildings. At Open House you will be able to meet all of the teachers and staff, drop off school supplies, tour the schools, participate in fun activities, and enjoy some refreshments. We look forward to seeing you all there!

We are so grateful for all of you, and we are counting down the days until we are back in session. 😊

Antreon Williams

Middle School Principal

Sandi Garcia

Elementary School Principal
